

## **The Fifth International Youth Forum of the Volga Federal District "iVolga - 2017"**

The Fifth Youth Forum of the Volga Federal District "iVolga - 2017" will take place on the territory of the Samara region in the period from 14 to 24 June 2017 (here and after- the Forum). Within the framework of the Forum there will work an international shift.

The total number of the participants of the Forum is traditionally about 2,000 people.

Arrival and departure of the participants of youth delegation of the Republic of Hungary is to be organized by the Hungarian side, while accommodation, meals, participation in the program activities of the Forum and in the cultural program will be financed by expenses of the Samara region. Foreign participants are planned to be accommodated on the territory of the Forum guest camp in army tents (the capacity of each tent is 10 people), which are equipped with wooden floors, army beds (in one tier) with bedding and the other items that are needed for daily life. For the Forum participants it is planned to import food in the army 36-liter thermos bottles and to serve the meals in the stationary dining place. All participants' life and health are insured against accidents for the period of the Forum.

The working language for the members of the Forum international shift is English, a foreign delegation is accompanied by the head of the shift, instructor and volunteer staff.

The concept of the Forum international shift presupposes holding classes within the next 5 areas (cultural and linguistic; entrepreneurship; science and innovations; tourism; culture and art, mass media). For each of these areas it is planned to organize presentations of projects prepared by the students; to discuss current issues in the round-table format. The participants of the Forum international shift are also offered to take part in the cultural program, sports activities, sightseeing trips to the urban district of Togliatti and to go sightseeing (on agreement).
