APPLY BY MARCH 15, 2019
Before I came to Charles University in Prague I spent a year at Monash University in Reno (also within the Visegrad Scholarship). Both stays constitute a whole, which closes in the planned five chapters of my dissertation—autobiography in the literary work of Ota Filip. For me the scholarship stay in Prague is a step towards fulfilling the dream of an individual doctoral study plan. I have had the opportunity to establish contacts with the most eminent specialists in Czech literature, but also to share experiences with graduate students from research centers, which I visited.

The integral part is the opportunity to establish contacts with the most eminent specialists in the field.
