

Best Erasmus people,

We would like to tell you  
to spend your time as good as possible  
now?

Travel as much you can, we saw  
8 countries during 3 months: Hungary, Romania,  
Germany, Slovakia, Austria, Serbia, Slovenia and  
Croatia! We saw also a lot of cities in  
Hungary.

The next you have to do is party, party, party!  
visit Bridge, Lapos, and you can eat in Dennis!  
Very cheap!

Enjoy your stay because it's over before  
you know it!

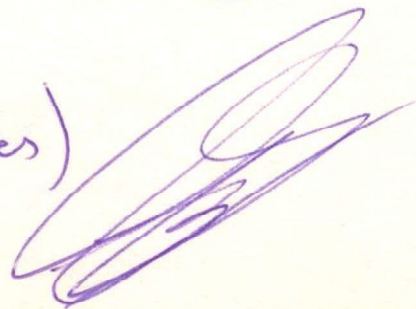

Also a thanks to everybody of Erasmus  
and the whole staff. Koszonom Jeezen!

Kind Regards

Erasmus? The best experience you can possibly have during your entire life! You'll make here ever-lasting friendships with great people from all over the Europe.

You can and you HAVE TO travel as much as possible. Győr is a perfect place to make trips to many different countries. For me it was just a perfect life experience. 

It broadens your horizons, you can learn a lot about different cultures and habits.

I will always remember this time like the best of my life!

Don't be afraid, make a leap and enjoy ENJOY enjoy every single moment because you'll see time passes so quickly... too quickly...

I would like to thank all the people I've met here. Thanks for help! Thanks for making this time amazing and unforgettable!
