Work Offered

Company description

OCAS (OnderzoeksCentrum voor de Aanwending van Staal) is an advanced, market-oriented research center providing steel and metal-based products, services and solutions, to metal processing companies worldwide. OCAS anticipates its customer's needs by developing alloys and coatings, by producing and testing samples and co-develop steel applications. OCAS is equipped with state-of-the-art R&D tools and facilities in its laboratories. The research center valorizes know-how by product and solution development. OCAS is a joint venture of ArcelorMittal (Number 1 steel producer) and the Flemish Region. OCAS has a highly qualified team of over 140 researchers and engineers with an international orientation.

Opportunity description

Support the business development and marketing manager with desk top research and analysis. Prepare reports, presentations, attend meetings. Able to work in team, yet the candidate is encouraged to take initiatives and make proposals.
