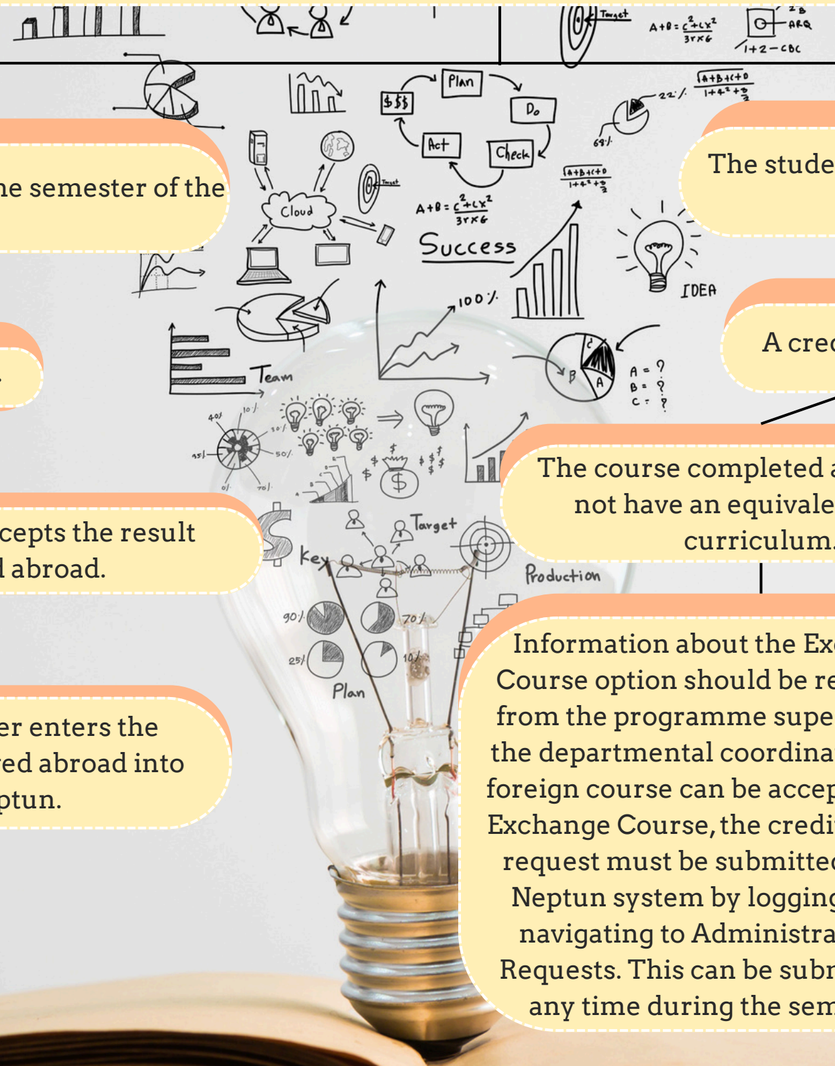
Completion and Signing of the Learning Agreement.
It is advisable to have the document signed by the programme supervisor before the start of the mobility.



The student wishes to have the course recognised during the semester of the mobility.

The lecturer does not accept the results obtained abroad.

The lecturer does not accept the result obtained abroad.

The student can seek assistance from the programme supervisor, during the recognition process.

The lecturer accepts the result obtained abroad.

The lecturer enters the result achieved abroad into Neptun.

The student wishes to have the course recognised in the semester following the mobility.

A credit transfer request must be submitted.

The course completed abroad does not have an equivalent in SZE curriculum.

Information about the Exchange Course option should be requested from the programme supervisor or the departmental coordinator. If the foreign course can be accepted as an Exchange Course, the credit transfer request must be submitted via the Neptun system by logging in and navigating to Administration → Requests. This can be submitted at any time during the semester.

The course completed abroad has an equivalent in SZE curriculum.

The request must be submitted via neptun.sze.hu during the registration period of the semester in which the student wishes to have the course recognised, in accordance with the Study and Examination Regulations.
